

CLASS 2 SAFETY VEST

Class 2 Sleeveless Safety Vest

OrangeGear® Class 2 Safety Vest is made with breathable polyester mesh and features 2 pockets and a zipper closure. Vests are durable, comfortable, and machine-washable.

All vests have two reflective safety stripes down the chest and back and one around the torso. The stripes are heat-transferred onto the mesh vest with zero stitching.

The front pocket does not have reflective material to allow for custom imprints.
